To the Commissioner of the Police Force.

Shanghai.

Sir,

Acting under instructions of Mr. Charles Madar, I have the honour to approach you on the following subject:-

My client is a sole proprietor and owner of the Radio Station under the name of "X H H G Radio Broadcast Station", 731 Canton Road (120 Yu Ya Ching Road) as per a Bill of Sale dated December 2nd, 1938, and duly registered at H. B. M. Consulate-General at Shanghai on the 12th of December, 1938, under No. 607. A copy of said Bill of Sale has been duly deposited by me at the Office of the Headquarters of the Shanghai Municipal Police. The said Radio Station is operating on 1220 K.C. But some time ago it was established by my client that some other Radio Station is using the same kilocycle causing thereby harm and confusion to interests of my client. As a certain Mei Sung Radio Station, 432 Nan-king Road, announced in Chinese Press some time ago that it will use said kilocycle my client suspects that the Radio Station in question is said Mei Sung Radio Station.

Under those circumstances I have the honour to request you to investigate the matter and to take necessary steps in order to stop, if it is possible, such activity in future or to let me know the name and

address of the Radio Station using the same kilocycle as the Radio Station of my client (1220 K.C.) and who is a registered owner of said Radio Station.

Awaiting your prompt answer,

I have the honour to be,

Your obedient servant,

Subject Tung Fang Broadcasting Station: Ownership transferred to
Mr. Charles Madar (British), 259 Kiangse Road
Made by D.S.I. Logan Forwarded by C. G. G. G. G.

At 3.30 p.m., December 12, 1938, Mr. N.A. Ivanow, Attorney and Counsellor-at-Law, 153-L, Apt. 53, Route des Souers, called at Headquarters, and handed over a copy of a bill of sale, which is registered as Miscellaneous Document No. 607, dated December 12, 1938, at the British Consulate-General, in respect of the sale of the Tung Fang Broadcasting Station (XHHG), K.C.1220 to Charles Madar (British), 259 Kiangse Road, which transaction took place on Decemoer 2, 1938.

The Tung Fang Station is one of the few Chinese Stations which refused to register with the Japanese after the retreat of the Chinese forces from the Shanghai area.

Reference Special Branch Report dated 9-12-38, a report appeared in the December 6th issue of the Sin Wan Pao announcing that a new Broadcasting Station to be known as the Mei Sung (美聲) Station, K.C.1220 will commence broadcasting soon, from 423 Nanking Road. It will be noted that K.C.1220 is the wavelength over which the Tung Fang Station broadcasts. Up to date, efforts to locate the owner of the proposed Mei Sung Station have proved unsuccessful.

Reference Special Branch Report dated 19.7.38 on above subject and remarks of Commissioner of Police thereon, on 24.7.38, the attached letter dated 24.7.38 was received from the management of the Tung Fang (東方) Station intimating their intention to change the frequency of their Station from K.C. 1080 to K.C. 1060. As this frequency had already been adopted by the Chung Ih Station (Italian), the Tung Fang Station was informed that they should choose a vacant frequency. On 26.7.38, another letter dated 26.7.38 (attached) was received at Special Branch, Headquarters, intimating that K.C. 1220 which is vacant, has been adopted by the Tung Fang Station. The management of the Tung Fang Station was subsequently informed that there is no Police objection to the change, whereupon they intimated that the change would be effected within one week's time, as it is necessary to advertise the alteration. It is suggested that the Broadcasting Superintendence Office be informed of the change in order to obviate the possibility of K.C. 1220 being assigned by the latter organ to another station.

The frequency of our station is 1080. Recently a certain radio station started to use this frequency and interfered with our broadcasts. This is quite unreasonable. As we are under your control, we received your advice to change our frequency as a temporary measure. 1080 reports that Yung Sung broadcasting Station will adopt the same frequency as Tung Fang Station.

C. Crawford D.I.

Mr. Tsuan Wen-shi (詹文禧), a representative of the Tung Fang Radio Station (call sign XHMG - 1080 K.C.) 120 Yu Ya Ching Road, visited Special Branch, Headquarters, on the morning of June 21 and reported having received information that a new radio station named Yung Sung (永生), which is going to operate on or about June 25, has been authorized by the Broadcasting Superintendence Office to adopt the same frequency as that used by the Tung Fang Station. As the adoption of the same number of kilocycles by 2 stations would render broadcasting impossible, Mr. Tsuan wished to know (1) if the Police have any knowledge of this new development, and (2) should this new station commence operation, what advice and assistance will the Police render to his station.

Note The Tung Fang Station is an old established station which has failed to apply to the Japanese authorities for a permit. It is included in the list of such stations mentioned in the D.C.(Japanese) memo dated 16.6.38, addressed to the Commissioner of Police as being one of the stations which the Japanese authorities desire the Police to warn to apply for a Japanese permit.

Enquiries by Special Branch detectives ascertained that the Yung Sung Broadcasting Station is located in Room 633 of the Wu Kung Lodging House, 152 Fokien Road while the broadcasting will be done by remote control from Room 204, Tai Wu Building, 81 Lloyd Road.

Subject Application for permission to establish Sino-German

Broadcasting Station (X.H.C.E.) K.C.580.

Made by D.S.I. Logan,

Forwarded by

C. Gaudin D.I.

On March 17, 1939, Mr. W. Gunndellach, representing Mr. Carl Wacker (German), foreign manager of the proposed Sino-German Broadcasting Station (X.H.C.E.) K.C.580, Room 617, Continental Emporium Building, Lane 353, Nanking Road, called at Headquarters and stated that he had approached the Japanese Radio Control Office and had been informed that no new stations would be permitted by the Japanese to commence operating and requested advice as to what action the Police would take should the proposed Sino-German Station commence to operate without a permit from the Japanese. Mr. Gunndellach was informed that according to an agreement between the S.M.C. and the Japanese Radio Control Office, new radio stations would not be permitted to operate by the Police until a permit had been issued by the Japanese, whereupon he left stating that he would convey the information mentioned to Mr. Wacker. On 18.3.39, the attached letters from Mr. Wacker were delivered to D.S.I. Logan by registered mail, intimating that the Sino-German station will begin to operate in course of the next week.

It should be noted that the proposed station is in reality Chinese owned and that Mr. Wacker is merely the nominal manager. According to the existing practice all radio stations which are owned by persons not enjoying extra-territorial rights, apart from the prerequisite of obtaining the sanction of the Japanese, should also furnish to the S.M.P. a guarantee not to

obtrude on an established wave length and also undertaking not to broadcast political matter or propaganda. However, in certain cases where the Japanese have encouraged certain persons to establish new stations which have adopted established stations' wavelengths, etc., the matter of the guarantee has been waived and no action has been taken against the offending stations by the S.M.P.

It would appear that Mr. Wacker hopes to establish his station without the necessary Japanese permit and with the hope that the S.M.P. will be equally lax in dealing with his station.

Instructions are solicited as to what action should be taken in connection with the proposed station.

Dear Mr. Logan,

Through the good offices of Mr. Gundelach I received yesterday his report after his visit to the Japanese Superintendent's Radio Control Station office in the Wardoan Building and his consequent call and the ensuing conversation at your office.

Gundelach told me exactly how matters stand concerning the running of broadcast stations in the Settlement and I think my Chinese will not experience any difficulties with the authorities as long as they confine their activities to purely commercial advertising broadcasts.

Taking into consideration the mentality of the Chinese and to convince them that as far as the Settlement regulations are concerned everything has been done to enable them of starting their business without obstructions, I beg to enclose my information in writing stating that the Sino German Broadcast Station under letters XHCE, running on 580 kilocycles will begin business in the course of next week.

All I require from you are a few lines confirming receipt of this communication (with no reference whatsoever regarding the Japanese). May I ask you to kindly send your letter to my private address:

With reference to the attached letter dated 8/3/39, from Mr. N.C. Chang, Chinese Business Manager, Sino-German Broadcast Station, Room 617, Continental Emporium Building, Lane 353 Nanking Road, applying for a permit to operate a Radio Broadcasting Station, enquiries revealed that the manager of the proposed Radio Station, namely, Mr. Carl Wacker (German) (see Special Branch report dated 6/7/33) is at present indisposed.

A representative of Mr. Wacker, namely Mr. W. Gunndellach (German), employed by Eickhoff & Co., 20 Canton Road, was interviewed at Headquarters on 13/3/39, when he stated that Mr. Wacker had been approached by a Chinese friend, Mr. N.C. Chang, afore-said and asked if he would assume the managership of the proposed Radio Station. Mr. Wacker agreed to do so on condition that he would not be held responsible for the conduct of the station should friction arise with either the Settlement Authorities or the Japanese Authorities.

Mr. Gunndellach was informed that a permit should first be obtained from the Japanese Radio Control Office in respect of the proposed station after which his application would be considered by the S.M.P. whereupon he left stating that he would approach the Radio Control Office.

Reference D.C. (Special Branch's) memo. dated 20.6.39 in reference to above, Mr. V. Chieri was interviewed at Police Headquarters on the morning of June 22, 1939 when he was informed of the fact that K.C. 880 was adopted by Mr. Francois Lesspinasse (French) as far back as December, 1938 and that Mr. Lesspinasse's station has been functioning for some time. In reply, Mr. Chieri stated that he did not wish to come into conflict either with Mr. Lesspinasse or the authorities as he is well known in Shanghai and is a member of the French Police (Specials) and that he would not commence broadcasting without notifying the Police. In the meantime, however, he stated his intention to approach the Japanese Broadcasting Control Office with a view to obtaining that organ's permission to use one of the wavelengths reserved by the Japanese so far not in use. In conclusion he stated that should the Japanese allocate a wavelength to him, he will refer same to the Police in order to ascertain if it is not already in use by any other person.

With reference to attached^x letter dated February 24, 1940, from the Radio Broadcasting Control Office, addressed to the Shanghai Municipal Police, requesting the immediate closure of the following radio broadcasting stations on the grounds of their non-registration with the Japanese Radio Broadcasting Control Office :-

1. Hwa Tung Broadcasting Station,

Call Sign: AQHD
Frequency: 1360 K.C.
2. Continental Broadcasting Station (Dah Loh)

Enquiries revealed that these stations which formerly were the property of Charles Madar & Co. (British), 259 Kiangse Road, were on January 26, 1940 sold to a Polish citizen, namely, Miss M.L. Milanowska, Passage 118, House 17, Apt. 12, Route des Soeurs, who effected registration of the stations with the Polish Legation. Neither Charles Madar & Co. nor Miss Milanowska notified the change of ownership to the Municipal Police. Upon receipt of the letter on March 1, 1940, efforts were made without success to locate Miss Milanowska both at her home and through the broadcasting stations. Consequently, D.S.I. Logan and Clerk Wong Chia-ting (Special Branch) acting on the instructions of D.C. Mr. Przedpelski intimated that his Legation had received a letter on the subject of the stations mentioned from the Radio Broadcasting Control Office and that he was considering what action to take in connection with the matter. Permission was granted to the stations to resume broadcasting at 5 p.m. March 1, 1940.

On March 2, 1940, a letter was received at Headquarters from Miss Milanowska intimating that she is the sole owner of these stations. A copy of D.C. (Special Branch's) reply to this letter is attached hereto. Miss Milanowska was advised to effect registration with the Radio Broadcasting Control Office immediately and informed that when such registration is completed further advice will be given to her on the operation of the broadcasting stations. In reply, Miss Milanowska stated that she would endeavour to effect registration with the Radio Broadcasting Control Office forthwith.

Contact will be maintained with Miss Milanowska and a further report will be submitted in due course.

On 28-6-39, a report on the examination of the bullet received in the threatening letter by complainant of X.H.H.K. Radio Broadcasting Station, was received at Louza Station from the Arms Identification Section with the following remarks:-

"One round 7.63 Auto Pistol - No use for identification purposes - Filed".

In connection with the Charity Bazaar scheduled for July 1, 2 and 3 at the Ningpo Fellow Countrymen's Association, it is learned that this Association received a threatening letter, the details of which are as follows:-

At 8.10.p.m. June 25th, 1939, an unknown male Chinese in foreign style clothing, answering the description of the man described on Sheet 1 of Diary 1, called at the Ningpo Fellow Countrymen's Association, 480 Yu Ya Ching Road, and delivered a letter addressed to the Management, to a coolie named Wu Sung Sung (邬申生) who was standing at the front door at the time. The letter was later seen by the executives of the Association. It purports to have emanated from a "Chinese Kuomintang Youth's Anti-Communist Iron & Blood Group (中国国民党青年反共铁血团)" and warns the Association against leasing its premises for the use of a charity bazaar, on pain of drastic measures.

A summarized translation of the letter is given

"Ningpo Fellow Countrymen's Association:

It is learned that a charity bazaar will be held

nist and "Popular Front" elements, who are defrauding
the people in the name of "Relief Work". We therefore

that bazaar, failing which drastic measures will be

do so.

Consequently on the morning of 29-6-39, C.D.C.37

SUN COMPANY - IN RECEIPT OF A THREATENING LETTER.

On 29-6-39, Mr. Liang, Secretary of the Sun Co., brought to the Station a threatening letter which had been received by the Management of his Company.

Enquiries revealed as follows:-

At 11.p.m. June 25th, 1939, the Company's Ball Room elevator operator named Ching Zung Fong (金成芳) was handed a letter by a male Chinese in foreign style clothing, answering the description of the man described on Sheet 1 of Diary 1, who then departed. The operator kept the letter until 10.a.m. 26-6-39 when he handed it to Mr. Liang (Secretary) who discovered that it contained one 7.63 bullet.

The letter is similar to the one referred to above and purports to have emanated from the same source. It warns the Management against leasing its premises for a charity bazaar on pain of severe action.

It is to be noted that the Vocational Women's Lien Nyi Society, 102 Nanking Road, at first intended holding their charity bazaar from July 1st to 3rd at the "Sun" Co. On 29-6-39 Miss. N. Mao, Chi Sue Girls School, 634 Avenue Joffre (Tel. No.72494) who is a prominent member of the Women's Lien Nyi Society, came to this Station. She stated that as the Ningpo Fellow Country-men's Association refused to lease its premises for the use of the bazaar her Society has made arrangements with the "Sun Sun" Co. to use the 6th floor for the bazaar, one dates at present unknown, in the near future.

Translation of a pamphlet, copies of which were distributed from the 5th floor of the Sun Company Building on Nanking Road near Lloyd Road at 1.40 p.m. on 28/6/39.

This is to inform the Shanghai Citizens about the holding of The Exhibition of Articles for Charity Sale sponsored by the Shanghai Chinese Professional Women's Club.

Racket behind the activities of National Salvation Association revealed; Local citizens warned to guard against being deceived.

Brethren!

Another "Exhibition of Articles for Charity Sale" is now being held at the Ningpo Fellow Countrymen's Association by the Shanghai Chinese Professional Women's Club with office in Room 203, upper floor of the Hall & Helitz Building, 120 Nanking Road, which has been sponsored and inaugurated by the People's Front Organization, otherwise known as the National Salvation Association. This is another of their rackets aiming at deceiving the people behind the mask of charity. For the sake of justice, we, who have been repeatedly deceived by them, cannot but raise our voice and reveal their intrigues and selfish activities!

The task of giving relief to refugees, we should indeed carry out to the best of our ability. But such task involving as it does no small amount of difficulties, should be handled and controlled by the competent authorities so that the possibility of unscrupulous elements seeking their own selfish ends under the guise of and in the name of charity, may be excluded. Organizations such as the International Relief Committee, and the Shanghai Refugee Relief Association, are the proper organs responsible for the relief of refugees; they have been brought into being by local respectable civil organs and are being maintained in accordance with legal principles. The present exhibition of articles for a charity sale, and other forms of charity bazaars are nothing more than the selfish means whereby

the People's Front Organization (National Salvation Association) and its subordinate organs are enabled to deceive the people for their own benefit.

A short time ago, various local circles called for contributions for the purpose of providing shoes and stockings for the soldiers at the front following receipt of a telegram in which General Koo, in command of the Third War Zone, appealed for a sum of \$40,000. Towards this sum, the local banking circles contributed \$10,000; the local educational circles \$10,000; and the local industrial and commercial circles \$10,000. Seeing that this was a golden opportunity for them to take undue advantage of the generosity of the public, The People's Front Organization sometime ago inaugurated an exhibition of articles to be sold for charity in the Sun Company Building; the exhibits were all contributed by the general public. Seen the various local schools followed its example and separately conducted various forms of charity bazaars from which they derived considerable profit. According to investigations we have conducted into their activities, this huge sum of money did not go to the front, but found its way into the pockets of these unscrupulous elements of the People's Front Organization (The National Salvation Association). This was the same trick as that which was used by them during last year in collecting a number of Chinese relics and artistic products for the ostensible purpose of holding an exhibition sale for charity abroad, in order to provide funds for maintaining the activities of the Communist Party and the People's Front.

Prompted by our own conscience, we responded enthusiastically every time we were called upon to contribute what we had in our possession towards the hold^{ing} of exhibitions of articles for a charity sale, knowing that this was a part

of our duty and that by this the refugees would benefit. But, alas, we have been deceived every time. But we have now opened our eyes to their real ends, and we refuse to assist in any way the present "Exhibition of Articles for Charity Sale". Such supporters as Messrs. Yu Ya Ching, H.T. Huang, Ling Kong Hou, and Pan Nying Mao, whose names have appeared in their regulations, have also realised the real state of affairs behind their charity project, and have announced that they would no longer be responsible for the affairs of the exhibition.

For the purpose of smashing their racket, it is hoped that local citizens will oppose this exhibition and refuse to buy any of the exhibits from it.

爲上海中國職業婦女俱樂部主辦 物品慈善義賣會敬告上海市民

▲揭穿救國會利己分肥黑幕——警告全體市民勿再受欺騙

同胞們！人民陣線組織（即救國會）所發起的上海中國職業婦女俱樂部，（地址在南京路一二〇號二〇三號房間即福利公司樓上），又在玩什麼「物品慈善義賣」的把戲了，假借波同鄉會爲義賣場所。這又是一種完全以欺騙民衆，假慈善的面具而出現的勾當！我們屢經受騙的民衆，爲了正義，現在不能不揭穿他們的陰謀和肥己的行爲！

本來救濟難民的工作，我們應該盡力去做，可是這種艱巨的工作，自應由主管機關統籌辦理，方可防微杜漸，免爲一般別具用心的人，假借慈善爲名，幹出營私肥己或是其他紛亂的行動。好像國際難民救濟會，上海難民救濟會等組織，就是這一種統一辦理救濟難民的正當團體；他們全由本市法團合法產生或是據根法規組織辦理的，現在人民陣線（救國會）以及隸屬他們的一切非法組織，所發起的各種義賣——物品慈善義賣就是其中之一——何嘗是爲了救濟難民，只是假借一種名義欺騙我們，榨取我們，以滿足他們私囊的一種手段而已！

在過去不久以前，各界曾發起徵募鞋襪捐，說是爲了第三戰區顧司令長官來電，籲請滬上接濟四萬元，後由各界募集到三萬元，就中銀行界擔任了一萬元，教育界一萬元，工商界也是一萬元。可是不料人民陣線組織，看到有機可乘，竟藉此名義，發起義賣，向各界徵集物品，不費分文，在大新公司舉行義賣，同時在各學校亦分別發起舉行義賣，收入所得，均甚可觀。但據我們現在調查所得，此項鉅款，全未寄到前方應用，完全給經手人——人民陣線（救國會）份子個人分肥，飽入私囊了，這正同去年以孫夫人名義徵集中國古董藝術品，運往外國義賣同一性質，是供作共產黨和人民陣線的活動經費的。

我們爲了救濟難民，受了良心的驅使，在每次義賣徵集物品時，總是踴躍地將自己所珍藏的物品，繼續應徵，聊盡一點國民互救的義務，誰知結果總是被騙，此次「物品慈善義賣會」的勾當，我們是早就洞燭其奸，不願再受他們甘言蜜語的欺騙，已一致予以拒絕，同時他們簡章上所列的簽名贊助人，如虞洽卿，黃涵之，林康候，潘仰堯等先生，現亦覺悟受愚，分別在聲明脫離，不再負責，我們希望各界對於此輩慣以欺騙民衆向各界徵集物品，以飽私囊的行爲，一致起來反對，拒絕購買，民衆們亦一致覺醒，不要買牠，以免再上他們設就了的圈套，這才是真正爲難民打算啊！

Special Branch.

With reference to diary of the undersigned, on 27-6-39, forwarded to the Special Branch where information will give to this case was elicited as follows:-

On 25-6-39 a letter was received at S.M.P. Headquarters from the Vocational Chinese Women's Lien Hui Society, Room 203, 102, Nanking Road (Referred to on diary as Chinese Women's Association) to the effect that arrangements had been completed with the management of the Continental Broadcasting Station (X.N.B.C.), 551, Peking Road, for the Broadcasting of a Special programme from the Station between 2 p.m. and 11 p.m. 28-6-39. The purpose of this programme was to persuade listeners to purchase vouchers, exchangeable for articles which will be offered for sale in the forthcoming charity bazaar on July 1st, 2nd and 3rd, in the Ningpo Fellow Countrymen's Association, 480, Yu Ya Ching Road. This programme was examined by Headquarters and was found to contain nothing objectionable. The fact of the Public being defrauded by these appeals, as inferred in the threatening letter, therefore appears absurd.

It is interesting to learn that the said Chinese Women's Society had a similar Special programme broadcast over the "Sun Sun" Broadcasting Station (K.L.H.A)

between 6 p.m. and 8 p.m. on June 9, 1939 requesting listeners to purchase coupons exchangeable for articles at a charity sale to be held in the "Sun" company Building on July 1st and 2nd. This programme was listened to by the Special Branch but nothing objectionable was heard.

Enquiries are now proceeding as to whether friction has been caused between the operators of the two stations X.H.H.K. and X.H.H.A. as a result of the society having changed from one to the other with the broadcasts. There also appears to be the possibility of a member of the society being dissatisfied with the change in stations and consequently may be responsible for the sending of the letter to X.H.H.K. as a means of intimidating them against broadcasting further similar appeals on behalf of the society.

The scene of this offence (X.H.H.K.) was, as mentioned in diary 1, registered with the National Government of China prior to the outbreak of Sino-Japanese Hostilities. After the retreat of the Chinese forces from the Shanghai area Mr. Shu, the Proprietor, refused to have the station registered with the Japanese, having ignored orders from them to comply with

their requests. Subsequent pressure was brought on X.H.H.K. by some other station who commenced to use the same Kilocycle whereby harm and confusion was caused to the interests of X.H.H.K.

The station was taken over by Mr. Madar, Land Agent, 259, Kiangse Road, as per a Bill of Sale, dated December 2, 1938, and duly registered at H.B.M. Consulate-General, Shanghai, on December 12, 1938 under Miscellaneous Document, No. 607, a copy of which Bill of Sale was duly deposited at S.H.P. Headquarters.

Mr. Madar is also the owner of two further broadcasting stations, namely:-

- (1) Tung Tung Broadcasting Station(X.H.H.G.) Grand Hotel, 120, Yu Ya Ching Road. Registered as Misc. Document 607, dated 12-12-38 at H.M.B. Consulate General.
- (2) Hwa Tung Station(X.Q.H.D.), 465, Kwangse Road. Sale Register at British Consulate, transfer of ownership effective from December 1, 1938.

D.M. Madar
D.S. 10.

These stations were formerly registered with the National Government of China and are two of a group of Chinese stations which refused to register with the Japanese.

At 11.00 a.m. 26-6-39 Mr. C.S. Keh, manager of the X.H.H.H. Radio Station, 351 Peking Road, brought to the Station a Chinese pen written letter of a threatening nature containing one mauser bullet.

A translation of the letter is as follows:-

"We have learned that the Communist Party is responsible for your station broadcasting in order to distribute for merchandise for the public distribution, thereby the public will be defrauded under the pretext of clarity.
This letter is to inform you that this broadcasting must be immediately stopped and you should take drastic action to be taken. One round of ammunition is enclosed as a warning.

Inquiries by Mr. J. J. and the undersigned revealed as follows:-

The radio station in question is located on the 3rd floor of premises, No. 351 Peking Road (south side), some 40 yards East of Yu Ya Ching Road, and employs a complement of four males, one female and two coolies. It is actually owned by Mr. F.S. Shu General Manager of the Great Eastern Dispensary, located on the 2nd floor of the same building.

The station was formerly owned, until about three years ago, by one named Sung Drong Bing (孙仲平) who had it registered with the National Government under which name it still remained registered after being taken over by Mr. F.S. Shu.

About one year ago, however, Mr. Shu received three letters from the Japanese Authorities requesting that the Station be registered with the Japanese but this was refused by Mr. Shu and consequently the Station was, about six months ago, registered at the British Consulate under the name of a Mr. C. Madar, Land agent. Information in regard to the above registration etc. was passed to S.M.P. Special Branch by Mr. Shu at the time of the transactions (not yet verified).

At about 9:05 a.m. 24-6-39, a male Chinese, described on sheet 1, entered the ground floor corridor of the radio station and handed the letter in question containing the bullet to a coolie named Tong Wei Lok (1111) age 35, native of Anhwei, who is employed by the Station and occupies a desk in the corridor, following which the man left. The coolie in turn, immediately handed the letter to his manager (representative) who brought it to the Station to-day.

Questioned in regard to the contents of the letter Mr. Keh (Rep.) explained as follows:—

Between 2 p.m. and 10.30 p.m. 25-6-39, a Special programme was broadcast in Chinese from the station appealing to the public to make donations by money or gifts for charitable purposes, these gifts to be sent to the committee of the China Women's Association at the

Mr. Ken states that this programme was broadcast by him on instructions from Mr. F. L. Special Branch and that it was only to be broadcast on 25-6-39 as desired by the China Woman's Association.

At the time of enquiries Mr. F. L. Shu was absent but will be later questioned.

In the meantime a policeman has been posted on duty at the scene, whilst Mr. Ken has been informed to immediately notify this station of any further unusual incident. It is not anticipated, however, that further developments will take place in the meantime in consequence of there being no repetition of the programme in question. Subject Continental Broadcasting Station - receives instructions
from Radio Broadcasting Control Office.

Made by and Forwarded by D.S.I. Logan

On the forenoon of June 28, 1939, the Continental Broadcasting Station (X.H.H.K.), 851 Peking Road, received a telephone message from the Japanese Radio Broadcasting Control Office instructing it to detail a representative to the office for interrogation. Following the receipt of the telephone message, Charles Madar, the British owner of the station, went to the Control Office at 3 p.m. June 28, when he was received by a Japanese who told him that he should relieve himself of responsibility for the Continental Broadcasting Station and that the aerial wire of the Tung Fang (東方) Station (X.H.H.G.), of which Charles Madar is also the owner, should be pulled down.

It is to be noted that the Continental Station was in receipt of a threatening letter together with a bullet on June 25, 1939 when a special charity programme was being broadcast from the Station by the Shanghai Vocational Women's Lien Nyi Society, while the Tung Fang Station was the subject of a letter from the Radio Broadcasting Control Office to the Police requesting the latter to close it down.

Mr. Charles Madar called at Headquarters at 11 a.m. June 29, 1939 and confirmed the foregoing. He also produced a letter (copy attached) which he received on June 29, 1939, from the Radio Broadcasting Control Office (also known as Broadcasting Superintendence

Office), but which he proposes to ignore. However, he intends to make a report of the matter to H.B.M. Consulate-General.

It would appear that the Japanese are determined to effect the closure of the Tung Fang Station which is owned by Charles Madar & Co., after which there is some possibility that the Japanese might consider registering the Hwa Tung Station (X.Q.H.D.), K.C.1360, which is also owned by Charles Madar & Co., but Mr. Madar has not made up his mind as to what action he will take.

In this connection information has been obtained to the effect that the Mei Sung Station (X.Q.M.S.), K.C.1220 which has adopted the wavelength of the Tung Fang Station has Mr. Kentwell behind it in some way, whether as an agent or interested partner is not known, however, despite the fact that the Japanese claim that it is owned by a Mr. Ikeda (Japanese).

At 9.30 p.m. June 25, a telephone message was received from Kuh Tsung Sung (葛春蓀) of the Continental Broadcasting Station, X H H K, (K.C.1340), 951 Peking Road, stating that the station had received a threatening letter at 9.05 p.m. ordering that the special programme broadcast by the Shanghai Vocational Chinese Women's Lien Nyi Society, should cease at once, as it was sponsored by communists and that failure to comply would result in drastic action being taken. Subject Dah Loh Broadcasting Station reports complaint of obtruding
received from Young's Broadcasting Station.

Made by D.S.I. Logan

Forwarded by _____

Station. C. Canford. D.D.

With reference to D.C. (Special Branch's) memo dated December 10, 1938, (attached hereto) Mr. Yang Yi Ching (楊貽慶), owner of Young's Broadcasting Station, was interviewed at Headquarters, on December 12, 1938, when he was asked if his station had been in receipt of complaints from listeners concerning interference with his broadcasts by the broadcasts of any other station. In reply, Mr. Yang stated that no such complaints had been received but that about a month ago he found that due to carelessness by certain of his employees his broadcasts were not as good as they ought to be. This, however, was remedied in consequence of his having disciplined the employees concerned.

Mr. Yang was allowed to leave Headquarters without any mention being made of the report made by the Dah Loh Station.

REPORT

Date Dec. 10, 1938.

Subject..... Dah Loh Broadcasting Station reports complaint of ostruding
received from Young's Broadcasting Station.

Made by..... D.S.I. Logan Forwarded by..... C. Crawford D.S.I.

At 3 p.m. December 9, Mr. Kuh Tsung-sung
(葛春孫) representing the Dah Loh Broadcasting Station,
XHHK, A.C.1340, 851 Peking Road, called at the Special
Branch and made a report to the effect that at 10.30 p.m.
December 8, he received a telephone message from some
person who gave his name as Sung of Young's Broadcasting
Station. Subsequently another person who gave his name
as Zung took Sung's place at the phone and stated in a
hostile tone that Young's Station had received a number
of complaints from listeners to the effect that the
broadcast of the Dah Loh Station was ostruding on the
broadcasts of the former. He emphasized that the Dah
Loh Station should effect adjustment in the equipment
at once, failing which drastic action would be taken
against the Dah Loh Station.

Mr. Kuh Tsung-sung stated that a test subsequently
made by him, showed that it was not his station that was
at fault, but that Young's Station was not properly
adjusted. He further stated that he had effected adjustment
in his equipment in May, 1938, on the instructions of the
Municipal Police (vide report dated 12/5/38)

It is to be noted that the Dah Loh Station is one
of the few Chinese stations which up to the present have
not registered with the Japanese Broadcasting Superintendence
Office. Young's Station, XHHT, K.C.1320, Lane 145, 25
Kuling Road, was established in July, 1938, with permission
from the Broadcasting Superintendence Office.

To the Special Branch, S.M.P.

On July 11 you instructed this station to change our frequency to 1340 K.C. We wish to report that this was done yesterday. We wish, however, to draw your attention to the fact that our frequency was approved by your department on June 3 and now another change has been effected on your instructions. This affects the business of the station and it is requested that no further changes be made in our frequency.

C. Crawford D.S.

With reference to the letter from the Dah Loh Broadcasting Station, XHHK, 851 Peking Road, requesting permission to change the frequency of the station from 1340 k.c. to 1320 k.c., and the instructions of A.C. (Special Branch) on attached translation, Mr. Kuh Tsung Sung (葛春孫), Manager of the Station, was interviewed at Special Branch, Police Headquarters, at 10 a.m., June 3, when he was informed that there would be no objection from the Municipal Police to the proposed change of frequency of his station from 1340 k.c. to 1320 k.c., provided it is properly adjusted so that no interference with other stations would ensue.

During the interview, Mr. Kuh made a report to the following effect :-

At about 3 p.m. June 2, he received a telephone call in the Shanghai dialect from ^{one} claiming to be attached to the Central Police Station, stating that the Police had received a report that the Dah Loh Broadcasting Station had broadcasted a song entitled 打回老家去 "Fight back to our homes". Mr. Kuh replied that this song had not been broadcasted and that since the fall of Shanghai, nothing of a political nature or anything considered unsuitable had been broadcasted from his station, whereupon the man rang off.

According to Mr. Kuh, his station is not in possession of the gramophone record bearing the song "Fight back to our homes", and as far as his knowledge

goes only two or three records of this song were sold by the record manufacturers. The song in question is of a political nature, but the records concerned are believed to have been withdrawn from circulation in 1936.

In order to substantiate his statement that the song had not been broadcasted, he produced the book in which the daily broadcasts from his station have been recorded. The following is an extract from the record book, containing the programme broadcasted on June 2, prior to the receipt of the telephone call :-

May 31, 1933.

To the Special Branch, S.M.P.

In accordance with your instructions we changed
our Frequency to 1340 K.C. and have carried on broadcasting
for several days. Owing, however, to the fact that this
frequency is too close to that of the Wha Tung Radio
Station and that it is also the harmonics of the Dah Chung Hwa
Radio Station in the French Concession, we have experienced
serious interference in our broadcasts and complaints have
been repeatedly received from the public. We therefore
beg to request that we be allowed to use the frequency 1320 K.C.
in order to facilitate broadcasting and shall be very grateful
to you for this favour.

Subject... Hwa Tung Radio Station - Dispute over Erection of Antenna.

Made by D.S.I. Logan

Forwarded by D. I. Crawford

On the forenoon of April 6, 1940, a report was received from Louza Station regarding a dispute over the erection of a wireless antenna above the Yi Hung (怡红) Restaurant, 748 Nanking Road. D.S.I. Logan and Clerk Wong Chia Tsing attended and ascertained the following :-

The wireless antenna belongs to the Hwa Tung Broadcasting Station, 465 Kwangse Road. The Hwa Tung Station, together with the Dah Loh Broadcasting Station, 851 Peking Road, were formerly owned by Charles Madar and Company, 259 Kiangse Road and not registered with the Japanese Broadcasting Superintendent's Office. In January, 1940, the stations were sold to a Miss Milanowska (Polish) and they suspended broadcasting on April 1, in order to effect registration with the Japanese. As a result of negotiations with the Japanese, the latter is stated to have agreed to grant permission for the Hwa Tung Station to operate, provided Miss Milanowska closes the Dah Loh Station and on condition that the Hwa Tung Station is removed from 465 Kwangse Road to a new location and changes the call sign.

Consequently, one Loo Foo Zung (魯虎臣), in charge of advertising department of the Hwa Tung Station, was entrusted to find some suitable premises to which the station could be removed.

Loo approached one of his friends named Sung Wen Nyi (孙文毅), standing committee member of the Nanking Road Street Union, Lane 77, 12 Kweichow Road and solicited his assistance in finding a suitable place for removal. Through the efforts of Sung, a room was rented in the Union premises and in the meantime, a suitable location upon which to erect the antenna posts was found, one above the Tai Kong Canned Goods Company, 766-B Nanking Road and the other above the Yi Hung Restaurant, 748 Nanking Road. Sung was requested by Loo to approach these shops for permission for the erection of the posts. The erection commenced on May 3 but was objected to on May 5 by Tsai Ts Zung (崔柱臣), manager and part owner of the Yi Hung Restaurant, who stated that no permission had been obtained from him. Tsai Ts Zung received a letter from the Nanking Road Street Union later on May 5, 1940 formally requesting his permission to erect the mast and brought it to Louza Station. A statement taken from Tsai Ts Zung is attached hereto.

Sung Wen Nyi, when questioned, admitted that he had failed to approach the restaurant before the erection started. He stated that a letter requesting permission was addressed to the restaurant on the afternoon of May 5, 1940, in the name of the

Nanking Road Street Union. When questioned as to why the name of the Street Union was used in the matter, he failed to give a satisfactory reply. Sung Wen Nyi is the owner of the Nyi Hwa Medicine Research Society, 2nd floor, 25 Chihli Road.

No permission has been obtained from the I.W.O., S.M.C. for the erection of the antenna and according to Loo Foo Zung only a few of the other radio stations in Shanghai have applied to the I.W.O. for the necessary permission.

It has not been possible to get in touch with Miss Milanowska, the nominal owner of the station, in order to question her but enquiries tend to show that this lady has very little to do with the station except in name only.

While actual proof of intimidation of the restaurant owner, Tsai Ts Zung, is lacking, it would appear that Loo Foo Zung succeeded in procuring the support of Sung Wen Nyi and that the latter made use of his position as a standing committee member of the Nanking Road Street Union in an endeavour to obtain Tsai Ts Zung's agreement to the erection of the mast, the idea being that the latter would fear to oppose a matter that appeared to have the support of the Street Union.

Both Loo Foo Zung and Sung Wen Nyi are being

Tsai Ts Zung (崔桂臣), Manager and part owner of the Yi Hung Restaurant, 748 Nanking Road. I rented the house from the landlord about two months ago. The restaurant has not yet commenced business.

At about 12 noon May 5, 1940, I learned that the wireless antenna of a radio station was being erected on the roof of my restaurant without my permission. So I went to the top and asked who was responsible for the erection. One of the workers sent for one named Sung (孫) who claimed to be a representative from the Nanking Road Street Union and who stated that the post was being erected by the Street Union. I told him that I objected to the erection of the mast and that he should first obtain my permission. Sung said that the Street Union would write me a letter asking permission to effect the erection. I told him that the erection must stop as I intended to construct a super-structure on the roof. The installation however was continued yesterday, in defiance of my instruction. A letter asking my permission was delivered to me at 3 p.m. yesterday, bearing the chop of the Nanking Road Street Union.

I am strongly opposed to the erection of the post on the top of my restaurant.

Subject. Erecting Broad casting Aerial on top of premises 748 Nanking Road
without permission of occupier.

Made by. D.S.I. Wilcox.

Forwarded by.

Sir,

At 11 a.m. 6-5-40 Tsei Ts Zung (崔柱臣) Manager
and part owner of the Yi Hung (倚红) Restaurant,
located at 748 Nanking Road came to Station and
complained that the Hwa Tung (华东) Broadcasting
Station (X.H.H.T.), now removing to new premises at Lane
77/12 Kweichow Road had erected an aerial mast on the
roof of his premises without his permission.

Enquiries by the undersigned and C.D.C.116
revealed that this Broadcasting Station was formerly
located at 465 Kwangse Road and operated under the call
sign X.Q.H.D., but they were ordered to close down and
remove by the Japanese Authorities who recently gave
permission for the station to re-open at 77/12 Kweichow
Road using the call sign X.H.H.T.

The Zee Kung Kyi (泽公记) Iron works were
employed to erect the aerials and, with the permission
of the landlord and tenants, one aerial mast was erected
on the roof of 766 Nanking Road.

On 3-5-40 the contractors commenced erecting
the other aerial mast on the roof of complainant's
premises at 748 Nanking Road without first obtaining
permission, instructions having been given to the
contractor by one named Sung Vung Nyee (沈文儀),
proprietor of the Nyi Hwa (义华) Medicine Shop, 25
Chihli Road and a Committee member of the Nanking Road
Street Union, who accepted full responsibility.

Complainant first discovered the erection of the aerial mast on his roof at 12 noon 5-5-40 and questioned the workers who sent for "Sung" who attended and informed complainant that the mast was being erected by the Street Union.

When complainant objected to the erecting of the mast, "Sung" stated that the "Nanking Road Street Union" would send him a letter requesting his permission for the erection.

At 3 p.m. 5-5-40 complainant received a letter from one Wong Li Jong (王康公) Chairman of the Nanking Road Street Union requesting the necessary permission, but by that time the work of erecting the mast was already completed.

Further enquiries revealed that one Loo Foo Zung (盧福成), Clerk of the Broadcasting Station was a friend of "Sung" who used the name of the "Nanking Road Street Union" to facilitate the erection of the aerials and the contractors unlawfully entered complainant's premises to carry out the work without first obtaining permission.

All concerned were called to Station for questioning but later released as complainant did not wish to take any action providing that the aerial mast was removed from his premises.

The persons concerned agreed to remove the aerial immediately and the affair was therefore settled amicably.

A notice appeared in the December 1st issue of the Sin Wan Pao, to the effect that the Hwa Tung Broadcasting Station, call sign XQHD, frequency K.C. 1360, located at 465 Kwangse Road, has been sold to Mr. Charles Madar of Charles Madar & Co., 259 Kiangse Road, transfer of ownership to take effect from December 1st.

Mr. Charles Madar (British) when communicated with, confirmed the above information and stated that the deed of sale is registered at H.B.M. Consulate-General. Mr. J.F. Ford of H.B.M. Consulate-General, who was interviewed at 2 p.m. December 1st, by D.S.I. Logan, produced a copy of the deed of sale which was deposited at the Consulate-General for the purpose of record.

At 3 p.m. December 1st, Mr. N.A. Ivanow, Attorney and Counsellor-at-Law, 153-L Route des Soeurs, Apt. 53, visited the Special Branch and handed in a copy of the deed of sale (attached hereto)

The Hwa Tung Broadcasting Station is one of the group of Chinese radio stations, originally totalling seven in number, which were operating under permits issued by the National Government of China, prior to the outbreak of the local Sino-Japanese hostilities.

At 9 p.m. June 12, 1938, an unexploded hand grenade was found about 5 feet from the entrance to the Hwa Tung Station.

Considerable pressure was brought by the Japanese to bear on the Hwa Tung and other stations referred to above, to persuade them to register with the Japanese

Broadcasting Superintendence Office but the Hwa Tung Station resisted all the efforts of the Japanese to persuade it to register.

Reference the letter, dated November 30th, 1938, addressed by Major Asano of the Broadcasting Superintendence Office to the Police Department, S.M.C., on the subject of radio stations not registered with the Japanese, the Hwa Tung Station is among those mentioned as having, in the view of the Japanese, forfeited their right to broadcast, by virtue of their failure to register with the said organ.

It will be noted that it is also stated in the letter that it is the intention of the Japanese to allocate the wavelength at present being used by the Hwa Tung Station to one of the several new stations which are to be established by certain Japanese and foreigners.

Mr. Ivanow, in the course of his interview at the Special Branch mentioned above, stated that as a new matter of courtesy, his client Mr. Madar, the owner of the Hwa Tung Station, intends to notify the Japanese Broadcasting Superintendence Office of the transfer of ownership.

The Yung Sung Broadcasting Station, X.H.H.J., K.C. 1080, Room 204, 81 Lloyd Road, suspended broadcasting in the middle of August, 1940. The reason for the closure is believed to be the withdrawal of the permit issued by the Japanese Broadcasting Superintendent's Office.

The attached letter dated February 16, 1939, from Major K. Asano of the Radio Broadcast Control Office, was received at Headquarters, on February 18, 1939 announcing that the Liang Yue Broadcasting Station (XQCT) K.C. 1300 has registered with the Japanese authorities and that the wavelength has been changed from K.C. 1300 to K.C. 1460 as from February 16, 1939.

At 11 a.m. February 18, Mr. Saunier (Swiss), owner of the Station called at the Special Branch and confirmed the change in wavelength. Mr. Saunier stated that due to loss of business in consequence of interference with his broadcasts by the Skylark (Tien Chuan) Station (XQHG), owned by F.W. Wettengel (German), he had no other alternative but to register with the Japanese Authorities and effect the change as instructed by the latter. In course of the negotiations relating to registration, he was asked to sign an apology prepared by the Japanese Radio Broadcast Control Office but refused to do so.

From the foregoing it will be seen that this is one more instance of Japanese interference with the rights of a foreigner who is ^{of} a nationality which enjoys extra-territoriality.

Sir,

At the request of Mr. J.V. Mr. Saunier undertakes to refrain from any radio-transmissions of a political nature.

Radio Broadcast Control Office,

October 19, 1938.

Mr. S. Uyenara,
Deputy Commissioner,
S. M. P.

Sir,

With regard to the control of privately owned radio broadcast stations in the Settlement, which has been receiving your kind attention for some time, it has already been agreed between your office and this administration that in the event of an application being received for the establishment of a new station, first of all this administration will institute enquiries and should it be found to conform in every detail with the required standard, such application will be referred to you for further examination from Police point of view. If there is no objection on your part, the application will be referred back to us for the final approval for registration. This is the procedure being followed to-day.

A German subject named Wettengel applied to this office under date of September 7, 1938 for the establishment of a new radio station in Yu Ya Ching Road broadcasting under carrier frequency of 1,300 kc. and power of 100 w. After the necessary enquiries, this application was approved by this office with effect from to-day. Meanwhile, an advertisement appeared in the Sin Van Ya Pao dated 27.9.38 announcing the opening of a new station known as Liang Yue Broadcasting Station (两友电台) operated by the Zeu Hwa & Co. (瑞华公司), the frequency and power quoted being 1,300 kc and 200 w respectively. This station has no authority whatsoever to operate and in keeping with the policy of exercising effective control over all stations, it will be ordered by us to close down.

In this connection, you are kindly requested to take note of our decision and render us the necessary assistance if and when required.

Finally we would like to draw your attention to the fact that the carrier frequency of 1,300 kc. arbitrarily appropriated by the Liang Yue Broadcasting Station was originally allotted by us to Mr. Wettengel.

Yours faithfully,

Director.

Subject. Application by Mr. J.V. Saunier (Swiss) for permission to operate
a Radio Broadcasting Station, call sign XQCT, K.C. 1300.

Made by D.S.I. Logan Forwarded by C. G. S. J. J.

Reference the attached letter dated 12.9.38, addressed to the Commissioner of Police by Mr. J.V. Saunier (Swiss) of the Swiss China Trading and Manufacturing Co., 424 Route Pere Robert, requesting to be directed as to the formalities to be complied with in connection with the operating of a Radio Station which he proposes to establish at 25 Chili Road; a copy of a letter addressed to applicant by the Swiss Consul General authorising the establishment of the station and a certificate issued by the Swiss Consul General certifying that the latter has no objection to the proposal to establish a station, provided matter of a political nature is excluded from the programme, Mr. Saunier and Mr. Kou Yi Hwa (顧宜華) who will be commercial manager, were interviewed at Special Branch, Headquarters, on 13.9.38. Mr. Saunier was informed that in view of his Consul General's views on the matter as mentioned above, the Police would have no objection to his proposed station. In connection with the alternative Kilocycles proposed by Mr. Saunier, i.e. K.C. 1060 or K.C. 1300, it was pointed out that the former has been reserved by the Japanese Radio Broadcasting Superintendence Office though vacant at present, while the latter was formerly used by the Ministry of Communications of the Nationalist Government for their Shanghai Station until the retreat of the Chinese Forces from the Shanghai area, since which time it has remained vacant. Mr. Saunier intimated that he intended to adopt K.C. 1300 and that the call sign would be X.Q.C.T. It was emphasized by Mr. Saunier that his station will not broadcast anything of a political nature and that the chief object

of the station is to broadcast commercial advertising matter.

Upon being informed that the S.M.C. did not issue any licences permitting radio stations to broadcast but in the case of stations owned by persons having extra-territoriality rights, merely kept details for purposes of record, Mr. Saunier requested that he should be sent a letter intimating that the S.M.C. has no objection to his proposed station as he has to produce same to his Consul General.

When asked whether he proposed to inform the Japanese Broadcasting Superintendence Office of his proposal to establish a radio station Mr. Saunier stated that he did not desire to have anything to do with the Japanese in any way but promised to keep the Special Branch informed should any communication be received by him from that direction.
